PERAC Approval Date	Regulation Number	Investment Regulation/Supplemental Regulation
September 11, 2006	16.08	<p>In accordance with Investment Guideline 99-2, the Weymouth Retirement Board is authorized to make a modest modification to its international equity mandate with State Street Global Advisors. Assets currently in SSgA's International Alpha Fund will be moved into the firm's All International Allocation Strategy. The latter fund also invests in the International Alpha Fund but supplements it with limited, opportunistic investments in other SSgA international equity funds. By gaining exposure to such sectors as emerging markets and international small cap, the Board will be achieving greater diversification within its international equity holdings.</p>
